This instruction is for the JC Penny Model 3400 Penncrest Sewing Machine. It contains 42 pages of information on how to stream, maintain and drive the machine. This is a PDF Down-load that you can print out yourself or take with you to your local office supply store and let them print and link it to you. Our PDFs are set up to be printed. The PDF will be similar to the original guide with pages all horizontal or all vertical. You can also view the PDF on any computer! You can turn any page in any direction you want to view with one click or two. We make our own PDFs by scanning and editing one page at a time. Our PDF files are in color whenever possible. We email you a link to download the guide after payment is verified. Please make sure your email address is correct when ordering.
